**HIGHLANDS IRRIGATION is Hiring:
Agriculture Irrigation Design and Salesperson
Location: Kamloops OR Williams Lake, British Columbia**

This is an exciting opportunity to work with a well established family owned and operated Agricultural Irrigation company with over 35 years in the business. Our head office is located in Williams Lake and we have a 2nd office in Kamloops, the centre of BC's cattle region. We travel throughout BC and the Yukon to serve our customers.

We are looking for someone with strong Service, Design, and Sales experience with Irrigation products that can build partnerships with new and current clients and stakeholders. The individual must be energetic and take initiative to oversee the quotes, sales, installation, and follow up of irrigation products to ensure the highest level of customer service. The successful candidate will be expected to plan, organize and coordinate various activities including trade shows and industry events in a professional manner. Travel is required.

Qualifications: Agriculture or related degree with irrigation and ranching experience and strong mechanical aptitude with exceptional interpersonal and teamwork skills. Proven sales and strong customer service skills with advanced computer skills such as Word and Excel along with a valid BC Driver's licence.

We offer a competitive salary plus the use of a company vehicle, complete training and the opportunity to attend education and development seminars/workshops.
